OBJECTIVE

A motivated Computer Science Engineering graduate seeking an entry-level position where I can apply my programming, problem-solving, and software development skills while continuously learning and contributing to the organization's success.

EDUCATIONAL QUALIFICATION

BE Computer Science | Dr.N.G.P Institute of Technology | Coimbatore | 2023-2027 |

CGPA 8.11

HSC | PSGG Kanya Gurukulam Higher Secondary School | Coimbatore | 2022-2023 | 88%

SSLC | PSGG Kanya Gurukulam Higher secondary School | Coimbatore | 2020-2021 | 100%

PROJECTS

Library Management System | 2023 |

Developed a Library Management System using Python with Tkinter for the user interface and SQLite as the backend database.

The system manages book and user records, including issue and return operations.

Improves efficiency by automating library tasks and reducing manual work.

Hand Talk AI | 2024 |

Developed an AI-based Hand Talk system using Python to recognize hand gestures.

The system converts gestures into text or speech to help communication for hearing and

speech-impaired users.

Improves accessibility through real-time gesture interpretation.

INTERNSHIP

Skylena Info Technology Pvt.Ltd|Coimbatore,Tamilnadu|15 days|Web Application Development|June 2025-June 2025

Completed a 15-day internship in the domain of web application development at Skyline Infotechnology.

Worked on developing front-end and back-end components of web applications.

Gained practical experience in building and understanding full stack web solutions
